Highly sought-after for family charters, TELEOST is a magnificent 49m displacement yacht. Designed by De Voogt and custom-built by Feadship, her prestigious Dutch pedigree is reflected in her clean lines and sophisticated exterior.

Built for adventure, TELEOST cruises comfortably at 11 knots and is capable of taking you to the world's most remote regions. She has a first-class crew of 10 onboard and an endless array of luxury amenities to ensure an unforgettable charter experience.

Beautifully maintained since her delivery in 1998, TELEOST has been extensively refurbished and upgraded by her owner.

Her first refurbishment was in 2002 which was followed by a refit at Pendennis Falmouth in 2008 including a full paint job.

In 2013, she was given another refit by Pendennis which included a total overhaul of her interior, new paintwork, and a 5-year survey. Her latest refit was in 2018 and saw a full re-paint, new water makers, new jacuzzi, the installation of the new antennas onboard and upgraded 4G connections.

Spacious and comfortable, TELEOST has accommodation for 10/12 guests in 5 generously-sized double staterooms. Classically elegant, each of the staterooms is equipped with a home entertainment system and opens into an ensuite bathroom.

Her full-beam master suite is located on the main deck and features a private lounge area plus a spa pool in the bathroom. The guest accommodation can be found on the lower deck and is made up of 2 double and 2 twin cabins (each twin has a Pullman).

TELEOST also has accommodation for her professional and experienced crew of 10 on the lower deck.

Styled by UK-based designer John Munford, TELEOST's vast interior is a modern classic. Polished mahogany paneling is
