

2008 Galeon 640

LE CHIFFRE

Step aboard the 20m (65'7") motor yacht Le Chiffre – a striking creation by the renowned Polish shipyard Galeon, blending contemporary design, superior craftsmanship, and innovative functionality.

Designed to accommodate up to 8 guests in 4 beautifully appointed cabins, Le Chiffre is the ideal yacht for families and friends seeking both relaxation and adventure at sea. Every space has been thoughtfully designed to offer the perfect balance between comfort and style – from elegant interiors bathed in natural light to expansive outdoor areas made for sun-soaked leisure and dining under the stars.

Whether you're exploring hidden coves, cruising along vibrant coastlines, or enjoying tranquil moments at anchor, Le Chiffre promises a luxurious charter experience defined by elegance, performance, and unforgettable memories – wherever your journey may lead.
